

HIPAA Privacy Statement

For Medical Records Processing Clients

AdvancedMD is committed to protecting the privacy and security of all personal information that we process in order to provide services to our clients in the healthcare industry. This notice explains our practices with regard to the protected health information we receive from our clients for medical records processing as a business associate under the US health privacy law known as HIPAA.

AdvancedMD will collect and process protected health information only as required or permitted by our business associate agreement and applicable laws, including the Health Insurance Portability and Accountability Act (HIPAA). AdvancedMD will at all times maintain reasonable and appropriate security controls to protect the information as required by the HIPAA Security Rule.

If you have questions about privacy or security, please contact the HIPAA Privacy Official named in the Privacy Notice published by your healthcare provider or health insurance plan. If you believe that AdvancedMD has not handled your personal information properly, you may also contact the AdvancedMD Privacy Office at privacy@advancedmd.com.
