

COMPREHENSIVE • PRODUCTIVE • SEAMLESS

EVERYDAY  
BILLING TASKS.  
EXCEPTIONAL  
OUTCOMES.

AdvancedBilling®

Every bit as powerful as what our top 500  
billing service partners use.

### Comprehensive

ClaimsCenter handles everything from end to end, from charge capture to full reimbursement with automated checks & balances to ensure maximum revenue.

### Productive

A/R Control Center lets you track & manage A/R with collection worklists & denial tracking as well as prioritized daily tasks.

### Seamless

Charges automatically pass from AdvancedEHR & AdvancedMobileDoc allowing the billing process to start immediately following the encounter without double data entry.

## CREATE EXTRAORDINARY RESULTS

AdvancedBilling lets you manage your entire claim process in one place. Our robust clearinghouse automates manual processes & improves workflow. Our proprietary ClaimsCenter™ gives you auto-generated worklists, claims status tracking & centralized billing for multiple providers & sites.

You can easily identify claim issues before submission with ClaimInspector™, that automatically scrubs claims for potential errors. ClaimInspector runs 3.5 million edits on each claim for CCI, HIPAA, LCD & carrier-specific requirements prior to submission.
