

POWERFUL • INTUITIVE • AUTOMATED

AUTOMATED
TOOLS.
INTEGRATED
WORKFLOW.

Advanced**PM**®

All the ways you're used to managing your front office made easy, more convenient & intuitive.

Powerful

Create a positive front desk experience while increasing cash flow with an entire suite of productivity-enhancing tools to streamline the business side of your practice.

Intuitive

Each click, each feature, each flow is handled just as you'd expect for peak staff efficiency, cost management & patient satisfaction.

Automated

Get free updates to medical codes & rules that are essential for effective coding without installing or upgrading software.

REFINE YOUR PRACTICE.

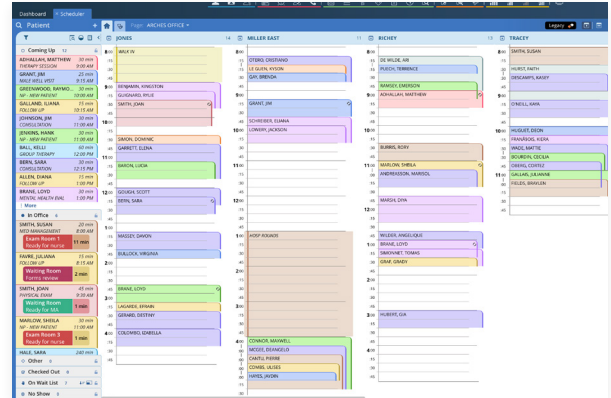

AdvancedPM includes medical scheduling, billing, reporting & an entire suite of productivity-enhancement tools to help streamline the business side of your practice. Our practice management software solution creates a positive experience for your front desk while increasing cash flow.

Each click, each feature, each flow is designed for peak staff efficiency, cost management & patient satisfaction. AdvancedPM gives your practice the latest updates to medical codes & rules that are essential for effective coding & billing, including ICD-10.

See how easily you can practice from anywhere.

Medical scheduling

Our easiest way to keep an optimal schedule, meet physician expectation & staff capacity, despite no-shows & cancellations.

Medical billing

Every bit as powerful as what our 600 billing service partners use for their clients. Features include A/R Control Center, claims management, integrated clearinghouse, electronic remittance advice & insurance eligibility verification.

Financial analytics & benchmarking

Enjoy an entirely new way to measure, manage & control financial performance with the ability to compare performance against peers in your geography, specialty & size.
