

PHYSICAL THERAPY & PHYSICAL MEDICINE SOFTWARE PRICING.

\$299/month

Complete AdvancedMD Master Collection

Cloud practice management, EHR, and patient engagement software for physical therapy, orthopedics, podiatry, rehabilitation clinics, physical medicine, chiropractic, occupational therapy, and speech specialties gives your practice access to all your clinical, financial, and patient information anywhere and anytime.

AdvancedMD software and data storage are hosted on the Amazon Web Services (AWS) cloud platform. Combined, AdvancedMD and AWS offer an unprecedented software experience with fast and reliable access to all your information, unwavering data security, and simplified storage with automatic backup. We selected AWS as the ideal way to future proof your practice by allowing you to grow and scale your mental health business without IT limitations.
