The heartbeat of healthcare. The industry's most unified medical office software suite connecting your entire practice and patients together in harmony.

Helping practices prosper with innovative solutions, advocacy and unmatched service. Heartland delivers credit card processing, payroll and payment solutions.

Complete & unified cloud suite of smart applications for every role. Legendary billing, flexible scheduling, simple charting, accurate reporting & easy-to-use patient relationship management tools.

Practice Management

Information is available automatically for a seamless way to manage the business side of your practice with industry-leading financial outcomes, visibility & analytics.

Electronic Health Records

Smart clinical apps including schedule snapshot, prioritized task donuts & specialty-specific patient cards. Chart on any device, any browser, including Apple mobile.

Patient Engagement

Engage patients in their healthcare experience with self-help, time-saving tools to improve health outcomes, while capturing real-time patient feedback.

Payroll & Human Resources

Outsource your HR functions to certified professionals who can provide guidance and assistance when you need it so you can get back to practicing medicine. Heartland offers a complete payroll, hiring and HR solution. Whether it's an employee handbook that can serve as the first line of defense in a lawsuit, a clear understanding of labor laws or effective hiring and on-boarding practices, expert HR can be the key to protecting and growing your practice.

Payment Processing

Accept payments anywhere, anytime, on any device. Whether in your practice or through the AdvancedMD patient portal, processes payments securely and quickly. Heartland provides fair pricing and full disclosure of fees and agreement terms. Statements clearly designate your interchange rates (how much you pay to the card brands) and your Heartland fees. An interchange optimization service lets you qualify for the best interchange rates and save with cost reductions immediately. Adding and supporting online and mobile payments can be done with a single integration, and next-day funding gets payments in your hands sooner.

Lending

Whether your dream is to expand your practice to a second location or hire a new physician, you may need additional funds to keep your practice running smoothly. Partner with Heartland. You'll get the funds you need, when you need them, with transparent terms and the most reasonable rates possible.
