4.6. Client is Record Custodian. Client acknowledges and agrees that Client is the custodian of its medical and billing records and remains solely responsible for complying with all patient, payer, regulatory, legal, judicial and other demands or other requests that may be made for Client Data or Client's records during and after the term of this Agreement. Client shall be responsible for any costs incurred by AdvancedMD in connection with AdvancedMD's assistance with producing any Client Data or Client's records except as prohibited by applicable law. AdvancedMD is not, and will not be, Client's record custodian or official record keeper.

5. TERM AND TERMINATION

5.1. Term. Subject to the termination rights set forth in this Agreement, Client's rights to access and use the Hosted Programs, AdvancedMD Pay, and the Third Party Services shall remain in effect for the initial term (and any renewal term) set forth in the Order Form(s) or an Addendum. If (i) no initial term is set forth on the Order Form(s) or an Addendum, then the initial term shall be the period commencing on the Effective Date and ending on the last day of the 12th full month thereafter; and (ii) if no renewal term is set forth on the Order Form(s) or an Addendum, then the initial term shall automatically renew for additional one-month terms (and the cost for the Hosted Programs, AdvancedMD Pay, and Third Party Services shall be billed at then-current fees or any fees set by AdvancedMD) until either party, prior to the end of the then-current term, gives prior written notice of its intention to terminate this Agreement (i) in accordance with the notice period set forth in the Order Form(s) or an Addendum, and (ii) if no notice period is set forth on the Order Form(s) or an Addendum, then thirty (30) days prior written notice.

5.2. Termination for Cause. Either party may terminate this Agreement at any time upon five (5) days prior written notice, if the other party commits a material breach of any representation, warranty, agreement or covenant set forth in this Agreement that remains uncured after fifteen (15) days written notice specifying the nature of the breach and identifying the measures required to correct the breach.

5.3. Additional Client Termination Rights.

A. Additional Client Termination Rights. Client shall have the right to terminate this Agreement at any time if (i) AdvancedMD fails to meet the Uptime Commitment set forth in AdvancedMD's Service Level Policy (available at <http://www.advancedmd.com/service-support-policy>) for two (2) consecutive months; or (ii) the Hosted Programs are not available during Peak hours (as defined in the Service Level Policy) for a period of twelve (12) or more consecutive hours; provided, however, that Client's notice of termination under this Section 5.3 must be provided in writing to AdvancedMD within ten (10) days of the event giving rise to the right of termination.

B. Changes to AdvancedMD Services: Client may, upon mutual agreement of both parties, remove from its account (i) Providers or (ii) certain Services by providing AdvancedMD with thirty (30) days prior written notice. Clients are billed on the 1st of the month; any adjustments to Client's invoice contemplated herein shall be reflected on Clients next regularly scheduled billing cycle, which shall be on the 1st of the next full month, after the thirty (30) days prior written notice takes effect. As a way of example, if Client submits a notice to terminate a Provider from its account on April 4th, the notice will take effect on May 4th, and since Client is billed on the 1st of the month, the change will go into effect for the month of June and will be reflected on the June 1st invoice.

C. Changes to AdvancedMD Services (Encounter Model): For Clients on AdvancedMD Encounter Model, the following timeframe shall apply for changes to AdvancedMD Services: Client may, upon mutual agreement of both parties, remove from its account (i) Providers or (ii) certain Services by providing AdvancedMD with thirty (30) days prior written notice. Clients are billed on the 5th of the month, in arrears for the prior months' usage. Any adjustments to Client's invoice contemplated herein shall be reflected on Clients next regularly scheduled billing cycle, which shall be on the 5th of the next full month, after the thirty (30) days prior written notice takes effect. As a way of example, if Client submits a notice to terminate a Provider from its account on April 7th, the notice will take effect on May 7th, and since Client is billed on the 5th of the month for the prior month's usage, the change will go into effect for the month of June and will be reflected on the July 5th invoice, for Client's usage in June.

5.4. Additional AdvancedMD Termination Rights.

A. AdvancedMD may terminate this Agreement upon ten (10) days prior written notice for non-payment of fees.

B. AdvancedMD may terminate this Agreement upon ten (10) days prior written notice in accordance with the terms of Section 6.1.

C. AdvancedMD may terminate this Agreement immediately if Client becomes insolvent, generally stops paying its debts as they become due or seeks protection under any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable proceeding, or if any such proceeding is instituted against Client and not dismissed within 90 days after commencement of one of the foregoing events.

D. AdvancedMD may terminate this Agreement immediately in the event Client or its employee(s) includes in the Hosted Programs, AdvancedMD Pay, or Third Party Services any content that (i) is obscene, offensive, threatening or malicious, (ii) violates any Applicable Law, or (iii) otherwise exposes AdvancedMD to civil or criminal liability.

E. AdvancedMD may suspend or terminate this Agreement immediately in the event of any wrongful or unauthorized access to or use of the Hosted Programs, AdvancedMD Pay, or the Third Party Services by Client or other third party.

F. AdvancedMD may suspend or terminate this Agreement (or suspend or terminate a Client employee or other Personnel member's access to and use of the Hosted Programs, AdvancedMD Pay and the Third Party Services) upon five (5) days prior written notice to Client if the Personnel member engages in physically or verbally abusive, obscene, threatening, malicious or other similarly inappropriate conduct toward any AdvancedMD employee or other personnel after two or more written or oral requests to cease such conduct.

G. In the event that a third party terminates or suspends AdvancedMD's access to a Third Party Service or AdvancedMD Pay, AdvancedMD may terminate or suspend the provision of, as applicable, such Third Party Service or AdvancedMD Pay hereunder.

H. In the event that AdvancedMD determines that it will no longer make a Hosted Program, a Service or any other product or service generally available to clients which are similarly situated to Client, AdvancedMD may terminate Client's access to the Hosted Program, Service or other product or service upon at least sixty (60) days advance written notice to Client.

5.5. Effect of Termination. Upon termination of this Agreement, access to and use of the Hosted Programs and all Services shall be terminated and Client shall promptly return or destroy and remove from all computers, hard drives, networks, and other storage media, all copies and manifestations of AdvancedMD's Confidential Information and so certify to AdvancedMD in writing. Termination of this Agreement shall not (i) relieve any party from any liability that may have arisen prior to such termination, nor shall such termination (other than for termination by Client under Section 5.2 or 5.3 above, or termination by AdvancedMD under Section 5.4.B above) relieve Client of its obligation to pay all fees that have accrued or are otherwise owed by Client under this Agreement, and any unpaid fees related to the Initial Term or any renewal term; and (ii) limit either party from pursuing other remedies available to it, including injunctive relief. Upon any termination of this Agreement, AdvancedMD shall have the right to maintain a copy of all Client Data in accordance with, and for the period of time it determines is required or permitted by, Applicable Law. During the 30 days beginning on the effective date of the termination of this Agreement Client may request an electronic copy of Client Data, and AdvancedMD will make available such an electronic copy of Client Data, through any data export and retrieval methods and related services that AdvancedMD has determined are technically feasible and commercially reasonable as of the Client Data export request date. After such 30-day period, AdvancedMD may delete Client Data after providing 30 days prior written notice of the planned deletion to Client. Client acknowledges that data export and retrieval methods and related services available from AdvancedMD may change over time based on the features and functionality of the Hosted Programs, changes in Applicable Law and other factors.

5.6. All subsections in Sections 1, 4.5, 5, 6, and 8 shall survive any termination of this Agreement.

6. INDEMNITY, WARRANTIES, LIMITATION ON LIABILITY; REMEDIES

6.1. AdvancedMD Ownership; Infringement Indemnity.

A. All computer programs and related documentation made available, directly or indirectly, by AdvancedMD to Client as part of the Services are the exclusive property of AdvancedMD or the third parties from whom AdvancedMD has secured the rights to such services or products. All rights, title and interest in or to any copyright, trademark, service mark, trade secret and other proprietary right relating to the Hosted Programs, AdvancedMD Pay, and the Services are reserved.

B. AdvancedMD shall indemnify, defend and hold harmless Client from and against any and all suits, proceedings, demands, causes of action or other claims by a third party that the Hosted Programs or AdvancedMD Pay infringe upon or misappropriate any United States copyright, patent, trade secret or other intellectual or industrial property right of any kind or nature whatsoever (a "Claim").

C. AdvancedMD shall have no liability under this Section 6.1 to the extent a Claim is attributable to (i) combination or use of the Hosted Programs or AdvancedMD Pay with any hardware, item, component, product, material, software or process not provided by AdvancedMD, if liability would not have arisen but for such combination or use with such item, component, product, material, software or process; (ii) use of the Hosted Programs or AdvancedMD Pay in any way not authorized nor contemplated by this Agreement, if liability would not have arisen but for such unauthorized use; or (iii) any breach by Client of this Agreement, if liability would not have arisen but for such breach.

D. In the event the Hosted Programs or AdvancedMD Pay are held by a court of competent jurisdiction to, or are believed by AdvancedMD to, infringe or misappropriate any third party right, AdvancedMD shall have the option, at its expense, to (i) modify the Hosted Programs or AdvancedMD Pay to be non-infringing, (ii) replace the Hosted Programs or AdvancedMD Pay with a non-infringing substitute, (iii) resolve any Claim to allow use of the Hosted Programs or AdvancedMD Pay, (iv) obtain for Client the right to continue using the Hosted Programs or AdvancedMD Pay, (v) terminate access and use of the infringing Hosted Programs or AdvancedMD Pay, or (vi) terminate this Agreement.

E. The indemnification obligations set forth in this Section 6.1 are subject to the following conditions: (i) Client shall give AdvancedMD written notice of any Claim for which Client intends to claim indemnification within ten (10) business days of the Claim; (ii) Client shall give AdvancedMD the sole right to control and direct the investigation, defense and settlement of the Claim, including selection of defense counsel; and (iii) Client shall reasonably cooperate with AdvancedMD in the investigation, defense and settlement of the Claim. Reasonable out-of-pocket expenses incurred by Client in providing such assistance will be reimbursed by AdvancedMD. Client shall not settle or compromise any Claim, and any such settlement or compromise shall be void as against AdvancedMD and shall terminate AdvancedMD's obligation to indemnify Client with respect to such Claim. AdvancedMD may settle, at AdvancedMD's sole expense, any Claim for which AdvancedMD is responsible under this Section 6.1.

F. Client acknowledges and agrees that the remedies provided in this Section 6.1 are the sole and exclusive remedies of Client, and consequently the sole and exclusive liability of AdvancedMD, with respect to any Claim.

6.2. AdvancedMD Warranties; Time Period; Disclaimers.

A. Warranty for the Hosted Programs and Hosting Services. Subject to Client's compliance with its obligations under Sections 4.2 and 4.3, AdvancedMD represents and warrants that the Hosted Programs and Hosted Services will perform in all material respects in accordance with the documentation provided by AdvancedMD within the Hosted Programs (titled "Help Files"), or paper or CD copies of such documentation. This warranty shall apply for a period of ninety (90) days from the Effective Date. Any breach not reported within such period will be deemed waived and accepted by Client.

B. Warranty for Data Importation. Subject to Client's compliance with the terms of Section 4.2, AdvancedMD represents and warrants that the importation of data by AdvancedMD will conform in all material respects with the written documentation provided by AdvancedMD. This warranty shall apply until the earlier of (i) the expiration of five (5) business days from the date the data at issue is imported or (ii) the date the database is first altered in any way by the Client. Any breach not reported within such period will be deemed waived and accepted by Client.

C. Warranty for Certain Third Party Services. AdvancedMD represents and warrants that (i) Electronic Services shall be provided in a professional manner, consistent with reasonable industry standards, upon timely receipt of properly entered, formatted and coded data files, documents, balancing totals or other required information from Client, and (ii) a minimum of 95% (calculated on an annual basis) of Client's claims will be transmitted to the applicable payor on first submission; provided, however, that the guarantee contemplated by clause (ii) only applies to claims with respect to which Client uses the Optum Client and AdvancedMD transmits the applicable claim information to the independent third party performing the Electronic Services. Changes in Applicable Laws or health care industry standards (including, but not limited to, the requirement that Version 5010 and ICD-10 codes be used on all transactions covered by HIPAA), may, in the future, affect or limit AdvancedMD's ability to provide the guarantee set forth in clause (ii) of the previous sentence.

D. Warranty for Other Services. AdvancedMD warrants that the Support Services, the Implementation Services and any other service set forth in an Order Form(s) or Addendum agreed to by Client (excluding services contemplated by Sections 6.2.A and 6.2.B, AdvancedMD Pay, and Third Party Services) will be performed in a manner that is consistent with generally accepted industry standards for such Service. With respect to Implementation Services, AdvancedMD does not guarantee any specific results, and the results Client may realize is primarily dependent on Client's ability to utilize and implement ideas, concepts, and practices presented in the Implementation Services. Any breach not reported to AdvancedMD by Client within thirty (30) days of its discovery will be deemed waived and accepted by Client.

E. General Disclaimers. THE WARRANTIES SET FORTH IN THIS SECTION 6.2 AND **EXHIBIT F** ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING ANY ORAL REPRESENTATIONS OR WARRANTIES MADE BY OR ON BEHALF OF ADVANCEDMD AND THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, INTELLECTUAL PROPERTY RIGHT INFRINGEMENT, AND/OR ANY WARRANTIES OR CONDITIONS ARISING OUT OF COURSE OF DEALING OR USAGE OF TRADE. CLIENT ACKNOWLEDGES AND AGREES THAT ADVANCEDMD IS NOT LIABLE FOR ANY DAMAGES, LOSSES OR INTERRUPTION OF CLIENT'S BUSINESS CAUSED BY THE FAILURE OF ANY THIRD PARTY SOFTWARE OR HARDWARE, INCLUDING ANY AND ALL PAYMENT PROCESSING, INTERNET, COMMUNICATIONS OR OTHER RELATED DEVICE. ADVANCEDMD IS UNDER NO OBLIGATION TO REPLACE, REPAIR OR CURE ANY THIRD PARTY SOFTWARE OR HARDWARE. NO LOSS OR DAMAGE TO THE ADVANCEDMD PAY HARDWARE OR ANY PART OF SUCH HARDWARE WILL REDUCE OR TERMINATE ANY OBLIGATION OF CLIENT UNDER THIS AGREEMENT, WHICH WILL CONTINUE IN FULL FORCE AND EFFECT THROUGH THE TERM. AdvancedMD does not warrant that (i) the Hosted Programs, AdvancedMD Pay, or the Third Party Services will meet Client's requirements or expectations or operate in the combinations that Client may select for use, (ii) the operation of the Hosted Programs, AdvancedMD Pay, or the Third Party Services will be uninterrupted, accurate, reliable, timely, secure, or error-free, free of viruses or any other malicious code, or fit for its intended purpose, or (iii) all Hosted Program errors, AdvancedMD Pay errors, or the Third Party Services errors will be corrected. Any description of the Hosted Programs or AdvancedMD Pay contained on AdvancedMD's website or promotional materials is for the sole purpose of identifying them, and any such description is not a part of the basis of the bargain and does not constitute a warranty or representation.

6.3. AI Functionality Disclaimers.

A. Outputs Generated by the AI Functionality. The Hosted Programs and Services may include AI Functionality that (i) generates draft physician or other provider notes from audio recordings or transcriptions of patient visits or other encounters or assists with other clinical documentation tasks or (ii) assists with medical coding or other billing and collection tasks. Client acknowledges and agrees that any outputs generated by the AI Functionality are inherently probabilistic, may contain errors or be incomplete, and should not be relied upon without independent professional judgment.

B. No Clinical or Professional Advice. AdvancedMD provides the AI Functionality solely as a productivity tool. The AI Functionality is not intended as, and does not constitute, medical, billing, legal, or other professional advice or opinion. Client shall be solely responsible for ensuring the accuracy, completeness, and compliance of all clinical documentation, codes, claims and other information submitted to third parties. Client will not rely on any outputs generated by the AI Functionality without applying its own professional judgment, skill and care, including, without limitation, regarding clinical and billing decisions.

C. Verification Obligation. Client agrees to independently review and verify any clinical documentation, coding recommendation, data or other output generated by the AI Functionality is accurate, compliant with Applicable Law, and suitable for Client's particular circumstances before relying on such output in a clinical, administrative or other setting or for billing purposes. Client assumes all liability for any errors, omissions, or inaccuracies in the AI Functionality outputs.

D. Retention of Recordings and Transcriptions. Client acknowledges and agrees that AdvancedMD may delete (or otherwise cease to maintain) an audio recording and/or a transcription of a patient visit or other encounter at the earlier of (i) the date on which the provider signs the note corresponding to the encounter or (ii) at any time sixty (60) days or more after the date of the recording or transcription.

E. Disclaimer of Warranties. The AI Functionality is provided "AS IS" without warranty of any kind. Client's use of the AI Functionality is at Client's own risk. To the fullest extent permitted by Applicable Law, AdvancedMD disclaims all warranties of any kind, express or implied, regarding or relating to the AI Functionality. Without limiting the generality of the foregoing, AdvancedMD does not warrant that the AI Functionality will (i) produce accurate, complete, error-free, or reliable outputs or (ii) meet Client's requirements or that the AI Functionality will operate without interruption or error. Client acknowledges that artificial intelligence

technologies are evolving, and their outputs can be influenced by various factors, including incomplete or inaccurate input data (including, without limitation, Client Data), evolving algorithms, or inherent limitations of machine learning.

6.4. Exclusive Remedies. For any breach of the representations and warranties contained in Section 6.2, Client's exclusive remedy, and AdvancedMD's entire liability, shall be as follows:

- A. With respect to a breach of the representation and warranty set forth in 6.2.A, AdvancedMD shall correct the error(s) that caused AdvancedMD to breach its warranty to Client.
- B. With respect to a breach of the representation and warranty set forth in 6.2.B, upon verification of the error, AdvancedMD shall at its option either (i) correct the database; or (ii) refund the amount paid for the data import service as specified on the Order Forms(s).
- C. With respect to a breach of the representation and warranty set forth in 6.2.C, (i) in the case of Electronic Services, subject to the terms of Section 6.5, Client shall have such remedies as may be available under Applicable Law; and (ii) in the case of Optum Services, AdvancedMD shall perform a root cause analysis to determine the reason for the Client's claims acceptance rate and provide reasonable training to improve Client's acceptance rate.
- D. With respect to a breach of the representation and warranty set forth in 6.2.D, AdvancedMD shall re-perform the applicable Service.

6.5. Exculpation of Certain Claims; Limitation on Liability.

- A. AdvancedMD uses unrelated third parties to provide the Third Party Services, and the availability, and accuracy of such Third Party Services is not within AdvancedMD's control. Client hereby waives any and all liability and claims which Client may have against AdvancedMD in connection with the Third Party Services, except as specifically set forth in Section 6.4, and for liability directly caused by the gross negligence or willful misconduct of AdvancedMD.
- B. Client shall be liable for (and Client hereby waives any and all liability and claims which Client may have against AdvancedMD for), (i) any inaccuracy in Client Data provided by Client, (ii) the consequences of any instructions Client may give to AdvancedMD, (iii) maintaining and backing up any Client Data, and (iv) Client's failure to protect user account names and passwords. In addition, AdvancedMD is not responsible for (w) any errors or omissions in any outputs from the AI Functionality, (x) Client's access to the Internet, (y) interception or interruptions of communications through the Internet or (z) changes or losses of data through the Internet, in each case, other than to the extent caused solely by AdvancedMD.
- C. In connection with use of the Hosted Programs and the Third Party Services, AdvancedMD may provide or make available to Client certain Templates. Client hereby waives any and all liability and claims which Client may have against AdvancedMD or any third party in connection with the use, modification, and/or customization of such Templates, except for liability directly caused by the gross negligence or willful misconduct of AdvancedMD. FURTHER, ADVANCEDMD IS IN NO WAY ENGAGED IN THE PRACTICE OF MEDICINE OR ACTING AS A PHYSICIAN OR OTHER HEALTH CARE PROFESSIONAL OR PROVIDER. ANY TREATMENT, THERAPY, PROCEDURE, INFORMATION, MEDICATION, PRODUCT OR OTHER INFORMATION REFERENCED BY OR THROUGH THE SERVICES ARE NOT INTENDED AS A RECOMMENDATION OR ENDORSEMENT OF ANY COURSE OF TREATMENT, THERAPY, PROCEDURE, INFORMATION, MEDICATION, PRODUCT OR OTHER INFORMATION. THE ULTIMATE RESPONSIBILITY FOR DIAGNOSING AND TREATING ANY PATIENT RESTS WITH THE PATIENT'S HEALTH CARE PROVIDER.
- D. AdvancedMD shall not have any liability under this Agreement for any disclosure or modification of Client Data, or for any consequences that may arise from such modifications (including, but not limited to, incorrectly modified or lost data), in either case, made by means of access to the APIs by or on behalf of Client, or by means of access by any third party to the extent such third party obtained access to the APIs as a result of disclosure by Client of Office Keys, user IDs or passwords to such third party, any breach of this Agreement by Client, or any negligence by Client, its employees, agents or representatives.
- E. Limitation of Liability. In no event shall either party be liable under this Agreement for any indirect, incidental, special, consequential or punitive damages, or damages for business interruption, loss of profits, revenue, data or use, or cost of cover suffered by the other party or by any third party, whether in an action in contract or tort, and even if the party has been advised of or is aware of the possibility of such damages. AdvancedMD's total liability for direct damages suffered by Client or any of its affiliates under this Agreement or related to the Services shall in no event exceed (i) for any damages in connection with or otherwise related to AdvancedMD Pay, the total amounts actually paid by Client to AdvancedMD for AdvancedMD Pay in the three (3) months immediately preceding the events giving rise to such claim less any and all payments paid by AdvancedMD with respect to its liabilities in connection with or otherwise related to AdvancedMD Pay, and (ii) for any damages in connection with or otherwise related to all other Services, an amount equal to three (3) times the average monthly fee paid by Client to AdvancedMD under this Agreement.
- F. This Section 6.5 sets forth the full extent of AdvancedMD's liability for damages resulting from this Agreement and the Services, regardless of the form in which such liability of claim for damages may be asserted. If Applicable Law restricts the exclusion or limitation of certain types of damages, then the foregoing provisions shall be deemed to exclude and limit such party's liability for any such damages to the maximum extent permitted by law. The provisions of this Agreement allocate the risks between AdvancedMD and Client. The parties agree that AdvancedMD's pricing and other terms and conditions of this Agreement reflect the allocation of risk and the limitation of liability specified herein, and Client acknowledges that without such limitation on liability and Client's agreement to maintain redundant copies of all data provided to AdvancedMD in connection with the Services, AdvancedMD would not have entered into this Agreement.

6.6. Client Indemnity. Client shall indemnify, defend and hold harmless AdvancedMD from and against any and all suits, proceedings, demands, causes of action or other claims by or on behalf of any patient of Client (or a third party claiming damage due to a relationship with such a patient), regardless of the cause (including AdvancedMD's negligence), if such claim in any way arises out of or relates to (A) patient care or outcomes; (B) use of or reliance upon the AI Functionality, including any outputs of the AI Functionality; (C) any inaccuracies, errors, or omissions in clinical documentation, medical coding or claims for payment caused by or contributed to by the AI Functionality; (D) any violation of Applicable Laws; and (E) Client's breach of this Agreement.

7. PAYMENT PROVISIONS

7.1. Fees, Invoicing and Payment; Suspension of Service.

A. Client shall pay the fees set forth on the Order Form(s) (or any Addendum, as the case may be) for the Services. If Client elects to use Connect, the fees set forth on the Order Form(s) (or Addendum) do not include any costs, fees, or charges that may be imposed by a third party with respect to Client's use of the External System.

B. Invoices for payment of all Services shall be in accordance with the applicable Order Form(s) agreed to by Client. In the absence of specific provisions in the applicable Order Form(s) agreed to by Client, (i) fees associated with Providers shall be based on several factors including but not limited to the number of Providers and their usage of the Hosted Programs and Services. To the extent it is determined, at any time, that Client's invoice amounts do not accurately reflect the correct number of Providers and their usage of the Hosted Programs and Services, AdvancedMD reserves the right to modify Client's invoice accordingly to reflect the actual number of Providers and their usage of the Hosted Programs and Services, and to the extent the invoice amounts were incorrect due to Client's failure to accurately and properly add Providers and their usage, AdvancedMD reserves the right to retroactively apply the corrected invoice amounts to Client's past invoices; (ii) fees for one-time Services (e.g., set-up and Implementation Services) are due upon acceptance of any Order Form(s) and prior to delivery of the applicable Service, (iii) recurring fees (e.g., fees for Hosting Services) begin on the Effective Date, and shall be payable monthly in advance and due in full on the first day of each month, and (iii) fees that are variable and dependent on actual usage (e.g., per-transaction fees) shall be billed monthly in arrears and due upon receipt.

C. An administrative late charge of \$35.00 per invoice will be charged for any invoice not paid by the applicable due date (including any electronic transaction that is declined and any returned checks), and an additional \$35.00 shall be charged for each 30 days thereafter that such invoice remains unpaid. Additionally, any amounts payable by Client hereunder which remain unpaid after the due date shall be subject to a finance charge equal to the lesser of 1.5% per month or the maximum amount permitted under Applicable Law, from the due date until the date such amount is paid.

D. Without limiting the additional fees and charges that shall be payable by Client pursuant to Section 7.1.C, if applicable, AdvancedMD shall have the right, exercisable in its sole and absolute discretion, to suspend Client's access to, and use of, the Hosted Programs, the Third Party Services and the Services, in the event that Client has not paid any amounts due hereunder by the time such payment is due.

E. Client shall have ninety (90) days from receipt of an invoice to dispute any portion of the invoice and any issue not raised by Client in writing within ninety (90) days from receipt of the invoice is hereby irrevocably waived by Client. To the extent AdvancedMD incurs any expenses in collecting (or seeking to collect) unpaid amounts due from Client under this Agreement (including, but not limited to, reasonable attorneys' fees), Client shall be liable for (and promptly reimburse AdvancedMD) for any such expenses.

F. Client's payment obligations hereunder with respect to the Services may (if authorized by Client) be made by direct withdrawal from Client's bank account. In the event Client has given such authorization, such withdrawal is subject to the operating rules of the National Automated Clearing House Association ("NACHA"). AdvancedMD and Client each agree to be bound by and comply with the NACHA rules applicable to it with respect to such withdrawals. Any authorization given by Client shall remain in effect unless and until revoked in writing by an authorized representative of Client and until Client's bank and AdvancedMD have each received such notice and have had reasonable time to act upon such notice. To the extent permitted by Applicable Law, in the event Client elects to meet its payment obligations hereunder by credit card payment, AdvancedMD may, in its sole discretion, add a non-refundable convenience fee at the time of credit card payment.

G. Client acknowledges and agrees that AdvancedMD, in its sole discretion, may apply annual price increases to the Hosted Programs, Services, AdvancedMD Pay and Third-Party Services. Further, Client acknowledges and agrees that AdvancedMD has no control over certain government-imposed fees and tariffs, changes to applicable laws, rules or regulations, or costs associated with any Third-Party Service offerings, which may result in cost increases. AdvancedMD reserves the right to increase the fees paid by Client as necessary to offset increases in rates, charges, or other costs from (i) state and federal government entities, including any regulatory agencies; (ii) Third Party Service providers; or (ii) that result from providing the Hosted Programs, Services or AdvancedMD Pay. Any such increase shall become effective for Client on the same day it is applied to Client's invoice.

H. By entering into this Agreement and any Order Form(s) or Addenda, AdvancedMD and Client expressly acknowledge and intend that the terms contained in such documents related to the manner of a request for access, exchange, or use of electronic health information (as defined at 45 C.F.R. § 171.102), including any and all terms related to fees, reflect the parties' mutual agreement (in an arms' length transaction without coercion) and meet the "manner requested" condition of the Manner Exception at 45 C.F.R. §§ 171.301(a).

7.2. Taxes. The fees listed in this Agreement (including the Order Form(s)) do not include taxes; there shall be added to all payments hereunder amounts equal to any applicable taxes levied or based on this Agreement, exclusive of taxes based on AdvancedMD's net income. If AdvancedMD is found to be responsible for the withholding and payment of taxes on behalf of Client, Client agrees to indemnify AdvancedMD with respect to the full amount of taxes due, together with applicable interest and penalties. If Client is required to withhold any tax from any payment, then the amount of the payment will be automatically increased to completely offset such tax so that the amount remitted

to AdvancedMD, net of all taxes, equals the amount invoiced or otherwise due.

7.3. Variable Use Service Fees. Variable use service fees are subject to external costs (such as postage rates, paper, etc.) and therefore are subject to change with 30-day written notice to Client.

8. GENERAL TERMS

8.1. Confidential Information.

A. All Confidential Information disclosed hereunder will remain the exclusive and confidential property of the disclosing party. The receiving party will not disclose the Confidential Information of the disclosing party and will use at least the same degree of care, discretion and diligence in protecting the Confidential Information of the disclosing party as it uses with respect to its own confidential information, but in no case less than reasonable care; provided, however, that AdvancedMD may disclose Protected Health Information included within the Confidential Information in accordance with Exhibit A. The receiving party will limit access to Confidential Information to its affiliates, employees and authorized representatives with a need to know and who have signed confidentiality agreements with or are otherwise subject to enforceable obligations to the receiving party that contain protections no less stringent than those herein, and will instruct them to keep such information confidential. Neither party will disclose the terms of this Agreement to any third party other than its affiliates, legal counsel and accountants without the other party's prior written consent, provided that a party that makes any such disclosure to its affiliate, legal counsel or accountants will remain responsible for such affiliate's, legal counsel's or accountant's compliance with this section. Notwithstanding the foregoing, the receiving party may disclose Confidential Information of the disclosing party (i) to the extent necessary to comply with any Applicable Law, (ii) as appropriate, to respond to any summons or subpoena or in connection with any litigation, and (iii) to any vendor with which AdvancedMD has an API (if Client has elected to use such API). If Client is compelled by law to disclose Confidential Information of AdvancedMD, Client shall give AdvancedMD prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at AdvancedMD's cost, if AdvancedMD wishes to contest the disclosure.

B. Client acknowledges that AdvancedMD, its affiliates or its recommended vendors may use Confidential Information as permitted by Applicable Law to evaluate possible commercial arrangements between AdvancedMD, its affiliates or its recommended vendors and Client, and to communicate with Client from time to time regarding AdvancedMD's, its affiliates' or its recommended vendors' products and services (including, without limitation, Third Party Services) that may improve the efficiency of Client's operations or otherwise benefit Client.

C. The obligations of AdvancedMD set forth in this Section 8.1 shall not apply to any suggestions and feedback for product or service improvement, correction, or modification provided by Client in connection with any present or future AdvancedMD product or service, and, accordingly, neither AdvancedMD nor any of its clients or business partners shall have any obligation or liability to Client with respect to any use or disclosure of such information. In addition, subject to any limitations imposed by HIPAA, with Client's consent (which is hereby given), AdvancedMD may use internet/website analytics software tools and programs that collect, transmit, store, disclose and analyze certain information about the actual use of the Hosted Programs by Clients, Permitted Entities and/or Providers (such as, but not limited to, pages viewed, links clicked, help functions used and other workflow information); such information shall not be considered Confidential Information hereunder and may be used by AdvancedMD for the purpose of license administration, error resolution and product analysis and improvement.

8.2. Communications. For the avoidance of doubt, nothing in this Agreement shall be construed to prohibit or restrict any communication in a manner that violates the Condition of Certification at 45 C.F.R. § 170.403(a).

8.3. Trademarks and Publicity. Except for linking to AdvancedMD web sites, Client may not use any AdvancedMD logo or trademark, whether or not such mark(s) are registered, without prior written approval from AdvancedMD. This includes use on printed materials of any kind as well as electronic mediums such as internet web pages or email. Furthermore, the use of the AdvancedMD name (or any derivative thereof) in Client's URL, Business Name, or the names of any add-on products or services Client may be offering independent of AdvancedMD is strictly prohibited. Additionally, using the AdvancedMD name in paid targeted keyword advertising campaigns on search engines is also prohibited. Client shall not use AdvancedMD's name, nor any adaptation or variation thereof, in any advertising, promotion or sales literature without AdvancedMD's prior written consent in each instance.

8.4. Governing Law and Dispute Resolution. This Agreement, and all matters arising out of or relating to this Agreement, shall be governed by the laws of the State of New York applicable to contracts made and wholly performed in such state. Any controversy or claim arising out of or relating to this Agreement, with the sole exception of Client invoice disputes which are governed by Section 7.1, or breach thereof, shall be submitted to the following procedure: (i) direct negotiation in a settlement conference to be scheduled as soon as possible after the dispute arises; (ii) if no resolution is reached within sixty (60) days of the settlement conference, the parties will submit the dispute to non-binding mediation in Salt Lake County, Utah under the mediation rules of the American Arbitration Association; and (iii) if no settlement is reached within sixty (60) days of the start of mediation, either party may seek legal redress in a forum of competent jurisdiction.

8.5. Notice; Method of Delivery. Client agrees to notify AdvancedMD of any changes to Client's business address, business contact, and support contact within ten (10) days of any change thereto. Client shall deliver all notices required or permitted hereunder to AdvancedMD in writing, or as specifically set forth in the applicable section of this Agreement, to AdvancedMD's principal place of business address set forth in this Agreement (or such other address that AdvancedMD may identify to Client in writing), to the attention of AdvancedMD's General Counsel, and by personal delivery, by certified mail, postage prepaid, or recognized overnight delivery service with proof of delivery. To expedite order processing, Client agrees that AdvancedMD may treat documents emailed or faxed by Client to AdvancedMD as original documents; nevertheless, either party may require the other to exchange original signed documents to evidence an order for Services.

8.6. U.S. Government. The Hosted Programs and AdvancedMD Pay and accompanying documentation are commercial computer software and documentation developed exclusively at private expense and in all respects are proprietary data belonging to

AdvancedMD. If the Hosted Programs, AdvancedMD Pay, and accompanying documentation are used under the terms of a DoD or civilian agency contract, the use, reproduction and disclosure of such software and documentation by the Government is subject to the restrictions set forth in this Agreement in accordance with 48 C.F.R. 227.7202 or 48 C.F.R. 12.212, respectively.

8.7. Non-solicitation. During the term of this Agreement and for six (6) months after any termination or expiration of this Agreement, neither party shall, alone or in association with others, solicit any employee or contractor of the other party (or its subsidiaries) to terminate its employment or contracting relationship with the other party or its subsidiaries. Nothing herein shall preclude either party from hiring employees or contractors of the other party (or its subsidiaries) to the extent such employees or contractors respond, without any solicitation by or on behalf of the hiring party, to advertisements or job openings published or otherwise made generally available to the public by the hiring party.

8.8. Other terms.

A. The waiver by either party of any default or breach of this Agreement shall not constitute a waiver of any other, or subsequent, default or breach.

B. Except for actions for nonpayment or breach of AdvancedMD's proprietary rights in the Hosted Programs or AdvancedMD Pay, no action, regardless of form, arising out of this Agreement may be brought by either party more than one year after the cause of action has accrued.

C. This Agreement constitutes the complete agreement between the parties and supersedes all prior or contemporaneous agreements or representations, written or oral, concerning the subject matter of this Agreement. In the event of any conflict between the terms and conditions of Exhibit F and the terms and conditions of the other provisions of these Terms of Service, Exhibit F shall prevail.

D. AdvancedMD may assign this Agreement or any rights or obligations under this Agreement to a third party. Client may not assign this Agreement or delegate any rights or obligations hereunder without the prior written consent of AdvancedMD, which consent shall not be unreasonably withheld or delayed; any such assignment without the prior consent of AdvancedMD shall be void. AdvancedMD may use agents, subcontractors and other third-party service providers to perform Services under this Agreement; provided, however, that such subcontracting or delegation of AdvancedMD's duties shall not relieve AdvancedMD from responsibility for performance of its duties hereunder.

E. AdvancedMD has no obligation to any third party by virtue of this Agreement, including any patient of any Client or Permitted Entity. Providers of Third Party Services shall be third party beneficiaries to this Agreement with respect to the services provided to Client.

F. If any of the provisions of this Agreement shall be invalid or unenforceable, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the fullest extent possible, the economic, business and other purposes of this Agreement.

G. Client acknowledges and agrees that calls to and from AdvancedMD may be monitored or recorded.

H. AdvancedMD may modify or amend the terms of this Agreement between the parties, including these Terms of Service, any incorporated Order Form(s) and the terms applicable to AdvancedMD Pay and any Third Party Services (including the Terms of Use applicable thereto), upon written notice, e-mail or otherwise, to Client. Following any such notification, Client shall have the right for a period of thirty (30) days from receipt to inform AdvancedMD in writing that it does not accept the modification or amendment of this Agreement. If Client does not notify AdvancedMD in writing that it does not accept such modification or amendment within such thirty (30) day period, and continues to access and use the Hosted Programs and/or receive the Services, this shall be deemed agreement by the Client to the modification or amendment. If Client properly notifies AdvancedMD that it does not accept the new terms within the thirty (30) day period, then Client may continue to access and use the Hosted Programs, AdvancedMD Pay, and Third Party Services until the end of Client's then-current term, at which time this Agreement, and Client's access to and use of the Hosted Programs and its receipt of Services, shall terminate.

Notwithstanding anything to the contrary in this Agreement, if AdvancedMD determines that an amendment to this Agreement is necessary in order for a party to comply with a requirement of an Applicable Law, then AdvancedMD may amend this Agreement upon written notice identifying the Applicable Law requirement to Client and specifying an amendment effective date that is on or after the earlier of (i) the compliance effective date of the Applicable Law requirement or (ii) thirty (30) days after Client receives the written notice of the amendment. If Client notifies AdvancedMD that Client disagrees with AdvancedMD's determination that the amendment is necessary within thirty (30) days of receipt of AdvancedMD's notice of the amendment, then the amendment will become effective on the effective date in AdvancedMD's notice and Client may terminate this Agreement effective at any time on or after the amendment effective date and before the end of Client's then-current term. To the extent that AdvancedMD determines, in its sole discretion, that any provision is contrary to Applicable Law, then AdvancedMD will not enforce any such provisions.

I. No Legal Advice. Client's use of the Hosted Programs, AdvancedMD Pay, Services, or any Templates, forms or other documentation made available to Client in no way constitutes the provision of legal advice from AdvancedMD to Client.

J. Force Majeure. AdvancedMD is not liable under this Agreement for AdvancedMD's non-performance caused by acts of war, terrorism, natural disasters (e.g., hurricanes, earthquakes), human-made disasters, other acts of God or nature, public health emergencies (including pandemics), public safety incidents, telecommunication or internet service interruption, strikes or other labor disputes or unrest, civil insurrections, riots, or other acts of civil disorder, acts of military, civil, or regulatory authority or any other events, conditions or causes beyond AdvancedMD's reasonable control.

K. Counterparts; Electronic Signatures. This Agreement may be executed in one or more counterparts, each of which shall be an original and all of which together shall constitute one instrument. Client expressly agrees not to contest the validity of any electronic signature because the signature is performed electronically.

Exhibit A: Business Associate Agreement

Business Associate Agreement

1. Definitions. Capitalized terms used, but not otherwise defined, in this Agreement (which includes, without limitation this BA Agreement) shall have the same meaning as those terms used in HIPAA, and if no such definition is provided in such rules, then the meaning shall be that given to such capitalized term in the Terms of Service to which this BA Agreement is an Exhibit.

2. Obligations and Activities of AdvancedMD.

2.1. AdvancedMD agrees to not use or further disclose Protected Health Information received from or on behalf of Client or created for Client (collectively, "PHI") other than as permitted or required by this Agreement or as Required By Law. AdvancedMD further agrees that, when using or disclosing PHI, it shall limit PHI, to the extent practicable, to a limited data set as defined in 45 C.F.R. § 164.514(e)(2) or, if a limited data set is not practicable, limit PHI to the minimum amount of PHI reasonably necessary to accomplish the intended purpose of such use or disclosure.

2.2. AdvancedMD agrees to use appropriate safeguards to prevent use or disclosure of the PHI other than as provided for by this Agreement and this BA Agreement, including implementing administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of Client. AdvancedMD further agrees to comply with the requirements of the HIPAA Security Rule.

2.3. AdvancedMD agrees to mitigate, to the extent commercially practicable, any harmful effect that is known to AdvancedMD of a use or disclosure of PHI by AdvancedMD in violation of the requirements of this Agreement or this BA Agreement.

2.4. AdvancedMD agrees to report to Client any use or disclosure of PHI that is not provided for by this Agreement or this BA Agreement of which it becomes aware. AdvancedMD also agrees to notify Client of any Breach of Unsecured PHI in accordance with 45 C.F.R. § 164.410; such notification shall be made in as expeditious a manner as possible and in no event later than 60 calendar days after discovery, as defined in 45 C.F.R. § 164.410 (a)(2) and shall comply with the requirements of the HIPAA Breach Notification Rule. AdvancedMD shall also, without unreasonable delay, but in no event later than five business days after becoming aware of any Security Incident that is not an Unsuccessful Security Incident (as defined herein), report the successful Security Incident to Client. Client acknowledges that AdvancedMD experiences Unsuccessful Security Incidents from time-to-time. Client acknowledges receipt of this report of Unsuccessful Security Incidents. "Unsuccessful Security Incident" means an immaterial Security Incident that does not involve an unauthorized use or disclosure of Unsecured Protected Health Information.

2.5. Client acknowledges that AdvancedMD may use Subcontractors. AdvancedMD agrees to ensure that any Subcontractor to whom it provides PHI received from, or created or received by AdvancedMD on behalf of, Client agrees to substantially the same restrictions and conditions that apply through this BA Agreement to AdvancedMD with respect to such information.

2.6. AdvancedMD agrees to provide access, at the request of Client, to PHI in a Designated Record Set to Client in order to meet the requirements under 45 C.F.R. § 164.524, by making the Hosted Programs available to Client under this Agreement.

2.7. AdvancedMD agrees to make any amendment(s) to PHI in a Designated Record Set that the Client directs or agrees to pursuant to 45 C.F.R. § 164.526 by making the Hosted Programs available to Client under this Agreement.

2.8. AdvancedMD agrees to make internal practices, books, and records, including policies and procedures and PHI, relating to the use and disclosure of PHI received from, or created or received by AdvancedMD on behalf of, Client available to the Secretary, in a time and manner designated by the Client or the Secretary and not materially disruptive of AdvancedMD's operations or business, for the purposes of the Secretary determining Client's or AdvancedMD's compliance with the HIPAA Privacy Rule. The AdvancedMD business unit providing the Services shall reasonably cooperate with Client and Secretary in responding to the Secretary's requests. All information provided by AdvancedMD pursuant to this provision shall remain Confidential Information under this Agreement and subject to the restrictions on disclosure of such information as set forth therein.

2.9. AdvancedMD agrees to document such disclosures of PHI and information related to such disclosures as would be required for Client to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528 and the regulations adopted pursuant to 42 USC 17935(c), and to reasonably cooperate with Client in responding to such requests.

2.10. AdvancedMD agrees to provide to Client or, at Client's direction, to an Individual, in time and manner designated by Client and not materially disruptive of AdvancedMD's operations or business, information collected in accordance with Section 2.9 of this BA Agreement, to permit Client to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528 and any regulations adopted pursuant to 42 USC 17935(c). All information provided by AdvancedMD pursuant to this provision shall remain Confidential Information under this Agreement and subject to the restrictions on disclosure of such information as set forth therein.

2.11. To the extent AdvancedMD carries out any of Client's obligations under the HIPAA Privacy Rule,

AdvancedMD shall comply with the requirements of the HIPAA Privacy Rule that apply to Client in the performance of such obligations, provided that Client advises AdvancedMD of such obligations which are not included in the Services under this Agreement and agrees to a fee for AdvancedMD's performance of such obligations in accordance with Section 2.12.

2.12. If, in the performance of its obligations set forth in Sections 2.8 through 2.11 (inclusive), and Sections 5.1 through 5.3 (inclusive), AdvancedMD expends time and materials that are materially in addition to the Services to be provided by AdvancedMD pursuant to this Agreement, AdvancedMD shall provide Client with an estimate of the fees for such time and materials. Upon the mutual agreement by Client and AdvancedMD as to the fees to be charged by AdvancedMD for such time and materials, AdvancedMD shall invoice Client on a time and materials basis at the agreed-upon rate(s), and Client shall pay AdvancedMD all such fees in accordance with the payment terms of this Agreement.

2.13. Client acknowledges and agrees that Client's Designated Record Set does not include: (i) audio recordings of any visits or other encounters with patients, their personal representatives, caregivers or other third parties, (ii) any transcriptions of such recordings or (iii) draft or unsigned notes of physicians or other health care providers. AdvancedMD will treat a finalized note of a physician or other health care provider as part of Client's Designated Record Set.

3. Permitted Uses and Disclosures by AdvancedMD. Except as otherwise limited in this BA Agreement, AdvancedMD may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Client as specified in this Agreement, provided that such use or disclosure would not violate the HIPAA Privacy Rule if done by Client or the minimum necessary policies and procedures of the Client of which AdvancedMD has been informed.

4. Specific Use and Disclosure Provisions.

4.1. Except as otherwise limited in this BA Agreement, AdvancedMD may use PHI for the proper management and administration of AdvancedMD or to carry out the legal responsibilities of AdvancedMD.

4.2. Except as otherwise limited in this BA Agreement, AdvancedMD may disclose PHI for the proper management and administration of AdvancedMD, provided that disclosures are Required by Law, or AdvancedMD obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies AdvancedMD of any instances of which it is aware in which the confidentiality of the information has been breached.

4.3. Except as otherwise limited in this BA Agreement, AdvancedMD may use and disclose PHI to provide Data Aggregation services to Client and other Covered Entities as permitted by 42 C.F.R. § 164.504(e)(2)(i)(B).

4.4. AdvancedMD may use PHI to create de-identified health information in accordance with the HIPAA Privacy Rule's de-identification standards and use and disclose the de-identified health information for commercial purposes and any other purposes not prohibited by Applicable Law. Client agrees that AdvancedMD shall be the exclusive owner of any de-identified health information.

5. Obligations of Client.

5.1. Client shall provide AdvancedMD with any limitations in its notice of privacy practices of Client in accordance with 45 C.F.R. § 164.520, to the extent that such limitation may affect AdvancedMD's use or disclosure of PHI.

5.2. Client shall provide AdvancedMD with any changes in, or revocation of, permission by Individual to use or disclose PHI, to the extent that such changes may affect AdvancedMD's use or disclosure of PHI.

5.3. Client shall notify AdvancedMD in writing of any restriction to the use or disclosure of PHI that Client has agreed to in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect AdvancedMD's use or disclosure of PHI.

5.4. Client shall not request AdvancedMD to use or disclose PHI in any manner that would not be permissible under the HIPAA Privacy Rule if done by Client. Without limiting the generality of the foregoing, Client shall not request that AdvancedMD use or disclose any PHI potentially related to Reproductive Health Care in violation of 45 C.F.R. § 164.502(a)(5)(iii).

6. Term and Termination.

6.1. Term. The Term of this BA Agreement shall be effective as of the Activation Date contemplated by the Terms of Service to which this BA Agreement is an Exhibit, and shall terminate when all of the PHI provided by Client to AdvancedMD, or created or received by AdvancedMD on behalf of Client, is destroyed or returned to Client, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.

6.2. Termination For Cause. In addition to any termination rights set forth in this Agreement, in the event of a material breach of this BA Agreement, the other party shall either: (i) provide the breaching party with an opportunity to cure the breach or end the violation, and terminate this Agreement (including this BA Agreement) if the breaching party does not cure the breach or end the violation within sixty (60) days, or (ii) immediately terminate this Agreement (and this BA Agreement) if cure is not possible.

6.3. Termination upon Issuance of Guidance or Change In Law. If the Secretary provides additional guidance,

clarification or interpretation on the HIPAA Privacy Rule, or there is a change or supplement to the HIPAA statutes or regulations (both referred to as a "**HIPAA Change**"), such that a party hereto determines that the service relationship between AdvancedMD and Client is no longer a Business Associate relationship as defined in HIPAA, such party shall provide written notice to the other party of the HIPAA Change, and upon mutual agreement of the parties that the HIPAA Change renders this BA Agreement unnecessary, this BA Agreement shall terminate and be null and void.

6.4. Effect of Termination.

A. Except as provided in paragraph (B) of this subsection, upon termination of this BA Agreement, for any reason, AdvancedMD shall return or destroy all PHI received from Client, or created or received by AdvancedMD on behalf of Client in accordance with Section 5.5 of this Agreement. This provision shall apply to PHI that is in the possession of Subcontractors of AdvancedMD.

B. In the event that AdvancedMD determines that returning or destroying the PHI is infeasible, AdvancedMD shall extend the protections of this BA Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as AdvancedMD maintains such PHI. Without limiting the generality of the foregoing, Client acknowledges and agrees that AdvancedMD may determine that it is infeasible to return or destroy the PHI if AdvancedMD is required to retain the PHI by Applicable Law or AdvancedMD's document retention policies. In addition, AdvancedMD may delay return or destruction of PHI until Client has confirmed in writing that Client has successfully exported (or otherwise received) the PHI.

C. Return, destruction, or if infeasible, retention of PHI upon termination of this Agreement shall be governed by Section 5.5 of this Agreement.

7. Miscellaneous.

7.1. Client Rights and Remedies Upon Breach By AdvancedMD. In the event AdvancedMD fails to perform its obligations hereunder or otherwise breaches this BA Agreement, Client may exercise all rights and remedies available to it under this Agreement, subject to applicable limitations of liability set forth in this Agreement or such other conditions as may apply to Client rights or remedies.

7.2. AdvancedMD Pay. Client acknowledges and agrees that (i) this BA Agreement does not apply to any data processed under **Exhibit F** since HIPAA does not apply to payment processing under HIPAA Section 1179 (42 USC 1320d-8), and (ii) a Business Associate Agreement is not required between AdvancedMD and its Subcontractors that only provide products and services related to AdvancedMD Pay.

7.3. Amendment. The parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for Client or AdvancedMD to comply with HIPAA. If, following good faith negotiations that shall not exceed ninety (90) calendar days from the date of the request for negotiations, the parties are unable to agree on the modifications to the terms of this Agreement that may be necessary or appropriate in order for Client or AdvancedMD to comply with HIPAA, either party shall have the right to terminate this Agreement without cause as of a date specified in a notice of termination, such date to be no less than thirty days following the effective date of such notice.

7.4. Survival. The respective rights and obligations of AdvancedMD under Section 6.4 of this BA Agreement shall survive the termination of this Agreement.

7.5. Interpretation. Any ambiguity in this BA Agreement shall be resolved in favor of a meaning that permits Client and AdvancedMD to comply with HIPAA.

7.6. Regulatory References. A reference in this BA Agreement to a section in HIPAA means the section as in effect or as amended.

7.7. Conflict. In the event of any conflict between the terms and conditions of this BA Agreement and the terms and conditions of the other provisions of this Agreement, this BA Agreement shall prevail except with respect to **Exhibit F**.

Exhibit B: CPT Addendum

This American Medical Association (“**AMA**”) CPT ADDENDUM, by and between AdvancedMD and Client, applies to use of AdvancedMD Pay or any Hosted Programs that include access to the master database of the AMA CPT Codes in electronic form (“**CPT**”) and is required by the AMA. Capitalized terms used but not defined in this **Exhibit B** shall have the meaning ascribed to such terms in this Agreement (which includes, without limitation, this **Exhibit B**).

Client hereby acknowledges and agrees that:

1. AdvancedMD's provision of updated versions of CPT depends upon the AMA continuing to permit AdvancedMD to distribute such content;
2. Client's use of CPT is nontransferable, nonexclusive, and for the sole purpose of internal use in the territory and language as designated in this Agreement (and if no territory or language is designated, then the territory shall be the United States of America and the language shall be English);
3. Client is prohibited from using CPT or information contained therein in any public computer based information system or public electronic bulletin board (including the Internet and World Wide Web);
4. Client is prohibited from publishing, translating, or transferring possession of CPT or any copy or portion thereof;
5. Client is prohibited from creating derivative works based on CPT, or selling, leasing or licensing it or otherwise making CPT or any portion thereof available to any unauthorized party;
6. Client shall ensure that anyone who has authorized access to AdvancedMD Pay or the Hosted Program(s) complies with the provisions of this **Exhibit B**; in the event that Client is subject to the terms of **Exhibit C**, it shall ensure that each Permitted Entity complies with the provisions hereof;
7. Certain Hosted Product(s) and AdvancedMD Pay include CPT which is commercial technical data and/or computer databases and/or commercial computer software and/or commercial computer software documentation, as applicable, which were developed exclusively at private expense by the American Medical Association, 515 North State Street, Chicago, Illinois, 60610. U.S. Government rights to use, modify, reproduce, release, perform, display, or disclose these technical data and/or computer data bases and/or computer software and/or computer software documentation are subject to the limited rights restrictions of DFARS 252.227-7015(b)(2) (November 1995) and/or subject to the restrictions of DFARS 227.7202-1(a) (June 1995) and DFARS 227.7202-3(a) (June 1995), as applicable for U.S. Department of Defense procurements and the limited rights restrictions of FAR 52.227-14 (June 1987) and/or subject to the restricted rights provisions of FAR 52.227-14 (June 1987) and FAR 52.227-19 (June 1987), as applicable, and any applicable agency FAR Supplements, for non-Department of Defense Federal procurements;
8. CPT is provided “as is” without any liability to AdvancedMD or the AMA, including, without limitation, no liability for consequential or special damages or lost profits for sequence, accuracy or completeness of data, or that it will meet Client's requirements, and that AdvancedMD's and AMA's sole responsibility is to use reasonable efforts for Client to correct defects or replace the CPT database; AMA disclaims any liability for any consequences due to use, misuse or interpretation of information contained or not contained in CPT; and
9. In the event that a provision of this **Exhibit B** is determined to violate any Applicable Law or is unenforceable, the remainder of this **Exhibit B** shall remain in full force and effect.

Exhibit C: Service Bureau Addendum

This SERVICE BUREAU ADDENDUM, by and between AdvancedMD and Client, sets forth the terms under which Client may make available the Hosted Programs, AdvancedMD Pay, and the Third Party Services to Permitted Entities. **This Service Bureau Addendum applies only to those Clients who provide the Hosted Programs, AdvancedMD Pay, or the Third Party Services to Permitted Entities.** Capitalized terms used but not defined in this Exhibit C have the meaning ascribed to such terms in this Agreement (which includes, without limitation, this Exhibit C).

1. Definitions. As used herein, the following terms shall have the following meanings:

1.1. **"Certified"** means, with respect to any Hosted Program, AdvancedMD Pay, or the Third Party Service, Service Bureau having properly completed such reasonable training, testing and certification programs as may be required by AdvancedMD (in the format normally made available by AdvancedMD for its authorized resellers in the ordinary course of business), related to, as applicable, implementation, training and technical support of the Hosted Programs, AdvancedMD Pay, or Third Party Services, including requirements as to number of certified employees, minimum standards of technical or other proficiency and periodic renewals or re-certifications.

1.2. **"Marketing Materials"** means marketing materials, brochures, audiovisual materials or presentations, displays, online advertisements and/or other information that AdvancedMD uses for its own marketing purposes or makes available to its resellers, independent representatives, agents and distributors.

2. Service Bureau Use. AdvancedMD hereby grants to Client (referred to in this Exhibit C and Exhibit D as "**Service Bureau**") a non-exclusive right and license to market and provide access to and use of the Hosted Programs, AdvancedMD Pay, and the Third Party Services to one or more third parties (each such person, a "**Permitted Entity**") subject to the following terms and conditions:

2.1. Permitted Entity. Service Bureau may provide access to and use of the Hosted Programs, AdvancedMD Pay, and the Third Party Services to any entity as part of a bundled offering in which Service Bureau provides significant management and/or financial processing services (e.g., billing services) to the Permitted Entity ("**Service Bureau's Services**") in addition to access to and use of the Hosted Programs, AdvancedMD Pay, and the Third Party Services. Service Bureau shall not provide access to or use of the Hosted Programs, AdvancedMD Pay, or the Third Party Services if the primary service provided to a Permitted Entity is training and/or support of the Hosted Programs, AdvancedMD Pay, or the Third Party Services.

2.2. Permitted Entity Agreement. Service Bureau shall not provide access to or use of the Hosted Programs, AdvancedMD Pay, or the Third Party Services to any Permitted Entity unless the Permitted Entity shall have entered into a valid and enforceable agreement with the Service Bureau containing the provisions set forth in Exhibit D and Exhibit E and/or F (as applicable) to the Terms of Service ("**Permitted Entity Agreement**"). The Service Bureau and the Permitted Entity may agree to additional terms and conditions relating to the Service Bureau's Services as such parties may deem necessary or appropriate, so long as such terms do not violate or conflict with the terms set forth in Exhibit D and Exhibit E and/or F (as applicable). Service Bureau shall provide AdvancedMD with (x) in the case of any Permitted Entity that executes a physical document, a copy of such Permitted Entity Agreement, or (y) in the case of any Permitted Entity that enters into an electronic click-wrap or similar agreement, written confirmation that the Permitted Entity has agreed to the terms set forth in the Permitted Entity Agreement. Service Bureau shall ensure that each such copy or confirmation includes the business name, contact person, address and telephone number for each Permitted Entity.

3. Training and Support.

3.1. Practice Management and Electronic Services. Service Bureau shall become Certified with respect to the practice management application of the Hosted Programs (including Electronic Services) in order to provide training services, implementation support and technical support to Permitted Entities. Service Bureau may contact AdvancedMD for support on behalf of a Permitted Entity with respect to the practice management application.

3.2. Electronic Health Record. Service Bureau may provide training services with respect to the electronic health record application of the Hosted Programs to a Permitted Entity only if Service Bureau has been Certified by AdvancedMD to provide such training in respect of such Hosted Programs.

4. Marketing Materials; Trademarks.

4.1. AdvancedMD hereby grants Service Bureau a limited, terminable, non-exclusive right to distribute Marketing Materials to persons or entities that are actual or potential Permitted Entities, solely in accordance with the reasonable usage guidelines that may be provided by AdvancedMD from time to time, and solely for the purpose of marketing Service Bureau's Services. Service Bureau shall not alter or remove any trademark or copyright, restricted rights, limited rights, proprietary rights or confidentiality notice included in or affixed to the Marketing Materials, and shall reproduce all such notices on any copies of the Marketing Materials made by Service Bureau in accordance with this Agreement.

4.2. Service Bureau agrees that any use or display of AdvancedMD or of any trademarks, trade names, or trade dress of AdvancedMD shall be in accordance with AdvancedMD's then current Trademark Usage Guidelines, which may be provided online, in writing, or orally. AdvancedMD's Trademark Usage Guidelines may be changed from time to time in AdvancedMD's sole and absolute discretion. Service Bureau acknowledges and agrees that AdvancedMD is the exclusive owner of all trademarks, trade names, and trade dress associated with the AdvancedMD products and services and agrees that it will not in any way disparage or denigrate such names or marks. Service Bureau agrees that it will not seek legal protection or ownership of any trademark, trade name, or trade dress (by statute, under common law, or otherwise) that is confusingly similar to any trademark, trade name, or trade dress of AdvancedMD.

5. Business Associate Agreements. Service Bureau shall enter into a valid and enforceable Business Associate Agreement with each Permitted Entity, which agreement shall comply with the terms of HIPAA (as such may be in effect from time to time).

6. Benchmarking. Service Bureau shall not distribute or make available to any Permitted Entity, or publicly release, the results of any benchmark tests or other comparisons of the Services with any other software, services or materials that compete in any way with the Services, including the Hosted Programs, AdvancedMD Pay, or the Third Party Services. Nothing in this Section 6 shall be construed to prohibit or restrict any communication in a manner that violates the Condition of Certification at 45 C.F.R. § 170.403(a).
7. Insurance. Service Bureau shall maintain Errors & Omissions coverage with a minimum limit of \$500,000 per claim.
8. Access to Health Data. AdvancedMD shall be entitled to provide a Permitted Entity with its Health Data at any time or for any reason. Service Bureau shall not prevent a Permitted Entity from accessing or using its Health Data at any time or for any reason. Without limiting the foregoing:
- 8.1. Service Bureau shall enable all User permissions in the Hosted Programs in respect of access to Health Data as may be requested by the Permitted Entity;
- 8.2. Service Bureau shall, upon request of any Permitted Entity, make available to such Permitted Entity all Health Data of such Permitted Entity, as such Health Data may be copied from the Hosted Programs;
- 8.3. In the event a Permitted Entity seeks access to its Health Data directly from AdvancedMD, whether because of any dispute between a Service Bureau and a Permitted Entity or otherwise, AdvancedMD shall have the right to provide a copy of, or access to, such Health Data; and
- 8.4. Service Bureau shall not prevent, and shall explicitly undertake any and all action necessary to allow, AdvancedMD to perform its rights under this Section 8 including assigning by written instrument the relevant Office Key and releasing to AdvancedMD any relevant Health Data.
9. Representations and Covenants.
- 9.1. Service Bureau hereby represents and warrants to AdvancedMD as follows:
- A. It has the requisite corporate power and authority to enter into, execute, and deliver this Agreement and to perform its obligations hereunder.
- B. No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any governmental authority or any other person, is necessary or required in connection with the execution, delivery or performance by it of this Agreement.

During the 30 days beginning on the effective date of the termination of this Agreement Client may request an electronic copy of Client Data, and AdvancedMD will make available such an electronic copy of Client Data, through any data export and retrieval methods and related services that AdvancedMD has determined are technically feasible and commercially reasonable as of the Client Data export request date. After such 30-day period, AdvancedMD may delete Client Data after providing 30 days prior written notice of the planned deletion to Client. EXHIBIT E: Terms and Conditions Applicable to Third Party Services

The terms and conditions set forth in this Exhibit E apply to use by Client of various Third Party Services used in connection with the Hosted Programs and are required by the third parties that provide such services. Capitalized terms used but not defined in these terms and conditions shall have the meaning ascribed to such terms in this Agreement (which includes, without limitation, this Exhibit E).

1.1. Electronic Services. If Client uses the Electronic Services, Client acknowledges and agrees that Electronic Services are generally available approximately 4 to 8 weeks after Client has properly completed and returned to AdvancedMD all applicable implementation forms related to Client's use of Electronic Services.

1.2. First Data Bank Services. If Client uses the First Data Bank Services:

A. Client hereby covenants and agrees to indemnify and hold First Databank, Inc. ("FDB") harmless from and against any liability, loss, injury or expense (including reasonable attorneys' fees and court costs) imposed upon, incurred or suffered by FDB relating to or arising out of any allegation or claim that the use of the medical, pharmaceutical and nutritional information originally provided by FDB and made available to Client through its use of the Hosted Programs (including any user manuals), or any information contained therein, caused or contributed to the personal injury or death of an individual; provided, however, that this indemnity shall not apply in the case of FDB's gross negligence or willful misconduct. FDB is an intended third party beneficiary of this Section 1.2.A of this Exhibit E. This Section 1.2.A will survive any termination of this Agreement with AdvancedMD.

B. Client hereby acknowledges and agrees that AdvancedMD's electronic health record application utilizes information provided by FDB. FDB takes actions designed to ensure that the information provided by FDB is accurate, up-to-date, and complete, but no guarantee is made to that effect. FDB's product is designed to supplement, and not a substitute for, the expertise, skill, knowledge and judgment of healthcare practitioners. FDB's drug information does not endorse drugs, diagnose patients or recommend therapy. The absence of a warning for a given drug or drug combination in no way should be construed to indicate that the drug or drug combination is safe, effective or appropriate for any given patient. The information contained therein is not intended to cover all possible uses, directions, precautions, warnings, drug interactions, allergic reactions, or adverse effects. In addition, the drug information contained therein may be time sensitive. FDB information is compiled for use by healthcare practitioners in the United States. Neither AdvancedMD nor FDB warrants that uses outside of the United States are appropriate. Client acknowledges that the professional duty to the patient in providing healthcare services lies solely with the healthcare professional providing patient care services. Client and healthcare practitioners should use their professional judgment in using the information provided. Neither AdvancedMD nor FDB assumes any responsibility for actions of Client which may result in any liability or damages due to the malpractice, failure to warn, negligence or any other basis.

1.3. Surescripts Services. If Client uses the Surescripts Services, Client hereby acknowledges and agrees that:

B. Surescripts Information. Client agrees that it shall keep confidential any data or information relating to Surescripts, or its services or operations, of which it becomes aware.

C. Adherence to Applicable Law and Commercial Messaging Rules.

A. Client shall comply with all Applicable Law and Client shall ensure that each Prescriber End User shall obtain all necessary patient consents and authorizations prior to requesting medication history for such patient.

B. Client shall not, and shall ensure that its Prescriber End Users do not, use any means, program, or device, or permit any other person to use any means, program, or device, including, but not limited to, advertising, instant messaging, and pop-up ads, to influence or attempt to influence, through economic incentives or otherwise, the Prescribing Decision of a prescriber at the Point of Care if: (i) such means, program, or device (as described above) is triggered by, initiated by, or is in specific response to, the input, selection, and/or act of a prescriber or his/her agent prescribing a pharmaceutical or selecting a pharmacy for a patient; and (ii) that prescription shall be delivered via the Surescripts network. Notwithstanding the above Client may: (A) show information regarding a payer's formulary and benefit plan design, including patient lowest cost options, on/off tier, prior authorization, step therapy, coverage status, and co-pay information; and/or (B) deliver or have delivered to Prescriber End Users clinical alerts that are sourced from payers and/or are attributed to generally recognized and reputable sources providing clinical information to the prescriber, even if, in the event of either (A) or (B), such information influences the patient or prescriber's choice of pharmacy or other prescribing decisions. B. Limitations of the Surescripts network. Surescripts uses available technology to match patient identities. Therefore, it is the responsibility of any treating physician or other health care provider or facility (not the responsibility of Surescripts or AdvancedMD) to verify prescription benefit or medication history information through other means with each patient and/or the patient's representatives before such information is relied upon or utilized in diagnosing or treating the patient. Surescripts is not a health plan, health care provider or prescriber. Surescripts does not and cannot independently verify or review the information transmitted through the Surescripts network for accuracy or completeness. Pursuant to the foregoing, Client acknowledges that the prescription benefit and medication history information provided hereunder is not complete or accurate, and that neither Surescripts nor any Data Source provides any representations or warranties with respect to the accuracy or completeness of the prescription benefit or medication history information, and Client releases and holds harmless, Surescripts and any person or entity providing prescription benefit or medication history information from any liability, cause of action, or claim related to the completeness or lack thereof of the prescription benefit or medication history information. In addition, Client and each Prescriber End User shall confirm the accuracy of the prescription benefit and medication history information with his/her/its patient prior to providing any medical services based thereon, and that the Client and each Prescriber End User shall use his/her/it professional judgment in the provision of care.

C. No Substitution for Written Prescription or Documentation. The Surescripts network is not intended to serve as a replacement for: (i) a written prescription where not approved as such by the appropriate Governmental authorities or where such written prescription is required for record keeping purposes; or (ii) applicable prescription documentation. Use of the Surescripts network is not a substitute for a health care provider's standard practice or professional judgment. Any decision with regard to the appropriateness of treatment, or the validity or reliability of information, is the sole responsibility of a patient's health care provider.

F. Surescripts Data Sources. Client acknowledges that any Data Source, in its sole discretion, may elect not to receive prescriptions and other messages from Client and/or any Prescriber End User.

G. Audit by Surescripts. Client acknowledges and agrees that Surescripts may access, inspect, and audit any information in the Hosted Programs relating to Client's use of the Surescripts network and/or Surescripts Data.

H. Use of Data by Surescripts. Subject to compliance with all Applicable Law (including without limitation all laws regarding the protection of protected health information (as defined under HIPAA), Surescripts shall be entitled to use and disclose information received from Client and Prescriber End Users for the purpose of Surescripts' business.

I. Clinical Operability Services. In the event Client uses the clinical operability services provided by Surescripts as part of the Hosted Programs, Client shall obtain any and all necessary patient consents and authorizations required by Applicable Law. Client shall, upon request, certify to having obtained all such necessary patient consents and authorizations.

J. Indemnity. Client shall indemnify and hold harmless Surescripts and Data Sources and their Affiliates from (i) any breach by Client of any confidentiality or privacy obligation under Applicable Law, or any misuse of data and/or systems provided by Surescripts and (ii) any loss of connectivity to the Surescripts network due to acts or omissions of Client; provided, however, that this Section 1.3.J shall only apply to Clients that qualify as a "Service Bureau" under this Agreement. Client agrees that Surescripts shall be a third party beneficiary of this Section 1.3.J.
